## Tips

Marinades - Fish should be marinated only 15—30 minutes

Chicken—1—4 hours

Beef, pork , lamb—4—8 hours

Never reuse marinades that have touched raw meat.

Reserve some of the marinade BEFORE pouring over meat to use for basting or as a side sauce.

## Products to Demo

Season Serve Containers—Perfect for marinating—Container and seal have pyramids that allow liquid to cover meat entirely. No need for opening and turning the meat, simply invert container.

Quick Shake Containers—Ideal for mixing marinades

Hamburger Press and Freezer Set—great for making up patties ahead of time and freezing the. Before freezing, use the end of a spoon and make a small in the center of each pattie. This will eliminate shrinkage and aid in cooking more evenly.

Cold Cut Keeper Jr.—Freeze hot dogs in single layer. Then you can take out as many as you need.

Pick—A—Deli Containers—Perfect for pickles, beets, carrot & celery
