# MODULAR MATES

## FACTS! FEATURES! BENEFITS!

“Are you *afraid* of an avalanche of bags and boxes every time you open your kitchen cabinets? Do you want to be able to store the greatest amount of food in the smallest amount of space? You can convert your cabinets from chaos to top capacity with the Modular Mates® containers.”

**Modular Mates** are a unique and functional food storage and organization system. This system will save you time, waste, space and taste!!

### Facts:

Dishwasher Safe

Lifetime Warranty against Chipping, Cracking, Peeling, or Breaking!

Shapes work together for maximum storage

### Key Features and Benefits:

- Virtually airtight seals ensure moisture-proof, bug-proof storage so foods stay fresher longer
- Unique seals come in varying shapes and colors to let you customize your containers and color coordinate your kitchen
- Each container's capacity is engraved on the bottom to help you decide what food fits in the container
- Classic Sheer containers with polished windows allow you to identify contents and check quantities
- The unique modular design allows the containers to stack up equally
- The shapes also work together to save cupboard space
- Ovals come in five different sizes and are ideal for narrow cabinets; great for storing pasta, cereal, beans, rice or sugar. A Pour-All Seal is available to fit these containers!
- Super Ovals come in five different sizes and are 55% bigger than Ovals, making them ideal for deep, narrow cabinets: A Pour-All Seal is available to fit these containers!
- Squares come in four different sizes for efficient use of space; great for items you normally scoop out or measure like flour, rice or dry pet food
- Rectangles come in four sizes and work well in deep cabinets; great for storing chips, pretzels, noodles and muffins
- Spaghetti Dispenser conveniently measures one or two servings with removable measuring insert
- You can get the perfect size and shape of Modular Mates for any food you now have stored in a kitchen cabinet
- The Modular Mates system will enable you to efficiently store food, eliminate waste, and transform a perfect mess into a perfectly organized storage!

# CUSTOM KITCHEN PLANNING TIP SHEET

## COMMON CENTERS:

1. Baking Center
2. Snack Center
3. Pasta, Bean, etc. Center
4. Beverage Center
5. Breakfast Center

## MEASURING INFO:

1. Allow 4" width for Modular Mates Oval Containers
2. Allow 8" width for Modular Mates Square & Rectangle Containers
3. Modular Mate Height is measured 2¼" for every number. Example: Modular Mate #1 measures 2¼" high, Modular Mate #2 measures 4 ½" high etc.
4. The following cabinet heights will accommodate these Modular Mates containers or any combination which adds up to that number.

- ↗ 7" = Modular Mates #3
  - ↗ 9 ¼" = Modular Mates #4
  - ↗ 11 ½" = Modular Mates #5
5. A shelf needs to have at least 11 ½" of depth to accommodate Modular Mates Rectangle or Super Oval container lengthwise.
  6. Cereal Storers:
    - ↗ Cereal Storer = 4 ½" width; #4 shelf high

## ADDITIONAL TIPS

1. When cupboard shelves are adjustable, the customer may wish to adjust the bottom shelf to the height of the Modular Mates #5 container, so that larger and/or heavier items can be placed where they are more easily removed.
2. When measuring the width of a shelf, remember to allow placement of larger containers first.
3. For easy access, build centers on square or rectangle containers. They can be used as trays and supports for smaller containers.
4. Modular Mates square containers should be used for food items which are usually scooped. Modular Mates oval containers should be used for items which are poured. Example: rice could be used either way so check the customer's preference.

**Super Oval 4** 5 lb Sugar, 1 lb wide noodles, 2 lbs potato flakes, 5 lb long grain rice, 15oz box of cereal, 1 lb saltines, 5 lbs grits, 24 ice cream cones, 12 env. microwave popcorn

**Super Oval 5** 5 lb Flour, 48 Taco shells, 2 lb Pretzels, Super size box of cereal, 11oz cheese curls

## Modular Mate Round Containers

The circular shape is suited for smaller storage needs in narrow spaces. Perfect for storing pourable foods and long, dry pastas. Each is 3 1/2"/9 cm Dia. And now they're offered in a new, Crystal Clear see-through material that lets you identify contents instantly. Choice of Brilliant Blue or Passion seals.

**Round 1** 1/2 c raisins, 1/2 c yogurt, Parsley flakes, dried onions, pacifiers, snacks, candy sprinkles, 2oz bacon bits, 2oz instant coffee

**Round 2** 8 oz tapioca, 4 oz instant coffee, 8 oz non-dairy creamer, baking powder, 8 oz baking soda,10oz baking chips,3oz bacon bits

**Round 3** Parsley flakes, croutons, onion flakes, large quantities of spices

**Round 4** Bread Crumbs, 1lb chocolate chips,15 oz raisins, 8 oz cocoa powder, 1 lb dried beans,8 oz instant coffee, 12oz creamer

**Round 1**  
2 1/2"/6 cm H  
7-oz./200mL capacity

**Round 2**  
4 1/4"/11.5 cm H  
15-oz./440 mL capacity

**Round 3**  
6 3/4"/17 cm H  
22-oz./650mL capacity

**Round 4**  
9"/23 cm H  
30-oz./850 mL capacity

# TUPPERWARE Modular Mates

## Features

- Stackable
- Virtually air-tight container
- Capacity marked on bottom
- Classic Sheer material
- Clear Viewing band
- 2 colors of Seals to choose from

## Benefits

- No matter what size the space there's a container or set to fit
- Frees up cabinet space for added storage
- Extra durability and scratch-resistant surface
- Food stays fresher longer— money saver
- No more "over buying" - can see contents easily
- More organized

Customizing your cabinets with Modular Mates is as easy as adding  $1+2=3$ .

Each container has a number marked on the bottom of it—according to it's height. The Ovals, Super Ovals and Rounds are numbered from 1-5. The Squares and Rectangles are 1-4. Each unit is equivalent to 2 1/4 inches.

So if your cabinet is 9+ inches tall, any combination of 4  
 $(4 \times 2 \frac{1}{4} = 9)$

So 2 rectangle 2's stacked together, or a 1 + 3 Super Oval or a 4 Square will fit in this cabinet....simple math!

Tupperware®
